STRUCTURE STABILITY CERTIFICATE

This is to certify that the existing structure of property, Francis Girls Senior Secondary School,
Situated At 17, Darya Ganj New Delhi-110002

I Inspected the premises on dated 03.05.2025, with the view of Structure Stability and Safety. I
examined drawings, document and various part of building. The building consists of three storey .

Brief Description:-

Plot Area = 3366.00 sq.m.

Ground covd. area= 1116.05 sq.m. First floor covd. area =424.90 sq.m.

Second floor covd. area = 734.82 sq.m.

The building construction with brick masonry load bearing walls, and covd. with RCC Roofing
building structure made with Column and Latak Beams and RCC slab, this is RCC Farme
Structure.

Observations:-

The three storey building built in 1959 and the building repair and Maintenance time to time .
The structure of building is well built and well maintained. As per the visual inspection of building
there are no structure cracks and no concrete peel off found. The building does not show any
settlement signs along the periphery of structure. The load bearing wall does not show any visual
distress.

Conclusion:-

I am of the opinion that the all works of construction in premises are structurally sound and the
building stability will not be endangered by their further use. The structure of building is safe and
sound and fit for any use.
